

Academy of Screen Printing Technology Nominee Proposal Form for the year 2012.

The Academy of Screen Printing Technology, composed of leading technical authorities in the industry, selects new members based on their demonstrated ability and willingness to assist in the advancement of the screen printing industry.

To apply for consideration for membership by the Academy, please complete the following application. This form provides the membership with information regarding your contributions to the screen printing industry. If you have any questions regarding this nomination form, please contact [Ashley Arneson](#) at 703.359.1323.

To be considered, each candidate must be supported by at least three active members of the Academy and be substantiated by a letter of referral by the deadline date. Use separate paper if necessary to complete this form. For more information on the Academy's role and a list of current members, please visit SGIA.org/aspt.

Deadline for each year submission: August 1st.

Return or email with all related documents to:
ASPT c/o
Specialty Graphic Imaging Association,
10015 Main Street, Fairfax, VA 22031-3489 USA
Email: ashley@sgia.org

ASPT is affiliated with the Specialty Graphic Imaging Association

Please supply all information in English.

Name: _____

Company: _____

(or former Companies if retired)

Mail Address: _____

City: _____

State/Province: _____

Zip/Post Code: _____

Country: _____

Email Address: _____

Telephone (Home if retired): _____

ASPT Supporter(s) _____

TEACHER

The most valued trait a potential inductee can offer is evidence of their explicit promotion of the proliferation and positive evolution of the screen-printing process via teaching; on or off-site consultation, authored and presented “white-papers”, seminars presented, authored and published articles, repeated columns and Internet blogs. Please provide a list of seminars presented, papers written, etc. If you do contribute repeated columns or contribute to internet blogs, please provide the magazine/website information.

TEACHER	Consult	Papers	Seminars	Articles	Columns	Blogs
List each event						

HUMANITARIAN

The second most valued trait a candidate can offer toward inductance into the ASPT is evidence of their philanthropic and humanitarian practices invested exclusively in or donated to the screen-printing industry! Please list the quantity and time spent towards charitable events for the

screen printing industry. Indicate whether or not the events are personally funded or corporately funded, either through time or monetary contributions.

HUMANITARIAN	Personal Time	Personal Funds	Corporate Time	Corporate Funds
International				
Domestic				
Regional				
Local				

INNOVATOR

The third most valued trait a potential inductee can offer is evidence of intellectual property; these include patents, copyrights or certifications of trade secrets which have raised the level of technology in the screen-printing industry. Please list all process patents, product patents, copyrights and generically list the trade secrets in the space below.

INNOVATOR	Process patents	Product patents	Copyrights	Trade secrets
International				
Domestic				
Regional				
Local				

EXPERTISE

The fourth most valued trait a potential inductee can offer is evidence of their expertise, specifically their screen-printing experience with respect to the type of substrate and their level of mastery of each. In the table below, please provide information regarding your screen printing knowledge. Indicate whether or not you consider yourself an Expert in the field, or if you are knowledgeable regarding one certain aspect of screen printing. Please note that you can add other areas as this is not meant to be an exhaustive list. Feel free to provide any additional information regarding your experience that you would like the Academy membership to know about you.

EXPERTISE	EXPERT	MASTER
Containers		
Functional		
Graphics		
Industrial		
Nameplate		
T-shirts		
Textile yardage		
Rotary screen		
Web printing		
Other _____		
Other _____		

Additional Comments:

SPECIALTY

The fifth most valued trait a potential inductee can offer is evidence of mastery within their purview; specifically their level of expertise or mastery with respect to their area or areas of expertise. The grid is divided into two parts; engineering / formulating and application. For each area, please indicate your level of expertise. Please note that not all aspects of the screen printing process are recognized, and you are encouraged to add to this list. Feel free to provide any additional information regarding your experience that you would like the Academy membership to know about you.

SPECIALTY	Expert or Master Engineer / Formulator	Expert or Master Application Specialist
Digital Pre-press		
Screen Frame		
Screen Mesh		
Stencil		
Ink		
Blade		
Press		
Other _____		
Other _____		

Additional Comments:

TRAINING

The sixth most valued trait a potential inductee can offer is evidence of their formal training, achievement of awards and certifications; specifically their screen-printing education with respect to the screen-printing industry ONLY! Please provide ASPT with a brief description of your training background. Feel free to provide any additional information regarding your experience that you would like the Academy membership to know about you.

TRAINING	List screen-printing facets ONLY!
