

Academy of Screen Printing Technology

Member Proposal Form

The Academy of Screen Printing Technology, composed of leading technical authorities in the industry, selects new members based on their demonstrated ability and willingness to assist in the advancement of the screen printing industry.

To apply for consideration for membership by the Academy, please complete this form and attach all requested detailed information regarding contributions to the screen printing industry. Forms or letters without supporting biographical and professional documentation will not be evaluated by the ASPT Nominating Committee.

To be considered, each candidate must be supported by at least one active member of the Academy. This can be substantiated by a letter of referral. For more information on the Academy and a list of current membership list, please visit SGIA.org/aspt.

Deadline for each year submission: June 1st
