

SGIA Members Save with UPS®

UPS provides the
reliability you expect.
Guaranteed.

When it comes to your business shipments, you don't want any delays or surprises — everything should be delivered on time, every time. UPS understands that shipping is a key part of your business, and we're here to provide the reliability you expect.

The Specialty Graphic Imaging Association and UPS® are working together to bring discounted small package and LTL freight rates to all members. As a SGIA member, you are eligible for a free rate quote at (866)443-9303.

We're committed to making the entire shipping process as seamless as possible. Contact the UPS Freight Association team today to get started!
